FOREWORD - - -

As the Seniors of 1958, we will soon embark into a new and changing world. Increased knowledge, particularly in Mathematics and Science, and greater opportunities for education have been the chief causes of this changing world.

The teen-agers of today in order to become the good citizen of tomorrow must be well-rounded and able to cope with this world. Only a few years ago the typical teen-ager was lucky to finish high school. Now it is almost imperative that he have at least a high school education.

He must have a basic knowledge of the Social and Applied Sciences, Mathematics, and Language; and may even receive vocational training. Also he needs a knowledge of such activities as music, sports, and art for worthwhile use of his leisure time.

With our theme of "The Forward Look", we have tried to depict for you in the following pages the opportunities that have been offered in our school. The advantages taken of these opportunities have been up to each individual.

The Nunundah Staff wishes to leave this thought with you . . . More and better scientists, mathematicians, and other workers are needed each day . . . The Future Belongs To You.

DEDICATION

Mr. Rhoads, our class advisor during our Senior High days, has been not only a counselor and advisor, but also a friend to each of us.

For his untiring efforts and constant encouragement we thank him, and dedicate to him this edition of the Nunundah.

IN MEMORIAM

Carl W. Johnson
1904 — 1957

We, the students of Smethport Area Joint High School, realize perhaps better than anyone else just how much Mr. Johnson has been missed.

Somehow he combined all the desirable traits of our fathers, ministers, and teachers.

We will always hold deep in our hearts the memory of his ready advice and constant help.

This memoriam is only a small token of our esteem, and only one of the many ways his works will be remembered.

STUDENT COUNCIL

The officers of the Student Council during the year 1957 - 58 were Louie Neely, president; Dick Larson, vice-president; Ann Megivern, secretary; and Beverley Van Gorder, treasurer. Mrs. Ann Anderson, guidance director, was the new Student Council advisor.

The achievements of the Council were:

1. providing a student bus to away football games;
2. helping to promote and set up the Smethport Teen Club.
3. purchasing name plates for last year's Student Council president, Valedictorian, Salutatorian;
4. revising the Student Council constitution;
5. setting up a program of assemblies for every period of six weeks;
6. packing and delivering Thanksgiving and Christmas baskets for the needy;
7. attending the District Student Council convention at Bradford High School, and having our secretary (Ann Megivern) chosen as the District Council secretary;
8. having two of our seniors (Lois Grohe and Ann Megivern) attend the State Student Council convention at Montoursville.
9. purchasing Student Council pins for those who have been in Student Council two semesters.

MESSAGE FROM OUR PRINCIPAL

The High School has become an important part of every American community, and the Senior year is marked by a number of important events pertaining to the Graduating Class.

Here at Smethport, some of these things are: the Senior Play, the Senior trip, the Yearbook, Baccalaureate, and Commencement.

Not the least of these is the publication of the Yearbook which becomes at once a record of students, teachers, Board of Education members, and school personnel in general as well as a retainer of many memories.

Therefore it becomes the privilege of each graduating class to produce a book of lasting value, and to conduct themselves in such a manner that senior events are outstanding.

The Senior Class of 1958 has shown superior qualities in all fields of endeavor, and this edition of the NUNUANDAH is an excellent example of that superiority.

I congratulate them and wish them success in the future.

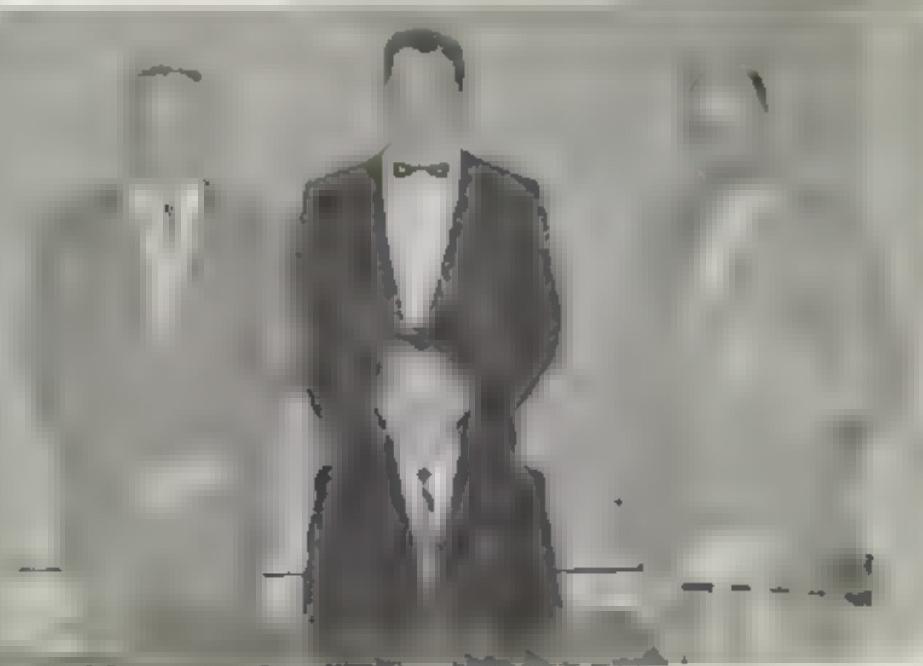

A cursive signature of "Phil M. Jones".

SENIORS

We elected the "cream of the crop" for our officers. These were President Fred Larson Vice President, Dick Larson Secretary, Dawn Marie Abbey; and Treasurer, Beverley Van Gorder. Mrs. Anita Johnson and Mr. Eugene Rhoads were our Senior Advisors. Our class colors were red and white.

Naturally, our Senior year was the busiest of our high school days. We sold magazines held a Holiday Ball, sold Christmas candles, sold Salt Water Taffy, had "Twerp Day" and the 'Twerp Dance' and had a Senior Carnival to get enough money to go on the New York Trip in April.

Our representatives to Student Council were: Dick Larson, Beverley Van Gorder, Ann Megivern, and Lois Grohe. Louie Neely served as the Student Council President.

JUNIORS

The first day of our Freshman year was very exciting to us. We were all at a new place where to go and we all were looking at all the new faces. As we looked at these faces, we may have wondered whether this boy or girl would later become our closest friend.

We gradually came to know each other and held our class meetings. We elected for our class President John Hummel, Vice President Charles Brown, Secretary Georgann Wright and Treasurer Georgann Wright.

For our Student Council Representatives we chose Janet Peterson, Marcia Johnson, Linda Cutting, and Jo Ellen Brown.

At the end of the year we held a class picnic at Cubo Lake.

Our Sophomore year held in store for us more excitement. We held the annual Mc Hawkins Dance with Harry Ed and Jack playing for us. This turned out to be very successful. Later in the year we held a "Hoe down" and many record dances.

Our class officers for this year were: President, John Hummel; Vice-President, Charlie McCarthy; Secretary, Sandy Stilson; and Treasurer, Linda Cutting.

Our Student Council Representatives were: Marcia Johnson, Linda Cutting, Janet Peterson, and Audrey Stratton.

Now, we are Juniors. We have lost only a few of our members since our Freshman year.

We have elected for our class officers: President, John Hummel, Vice-President, John Reeny, Secretary, Georgann Wright and Treasurer, Linda Cutting.

Our student Council Representatives are: Marcia Johnson; Janet Peterson, Linda Cutting, and Jo Ellen Brown.

Plans are under way for our Junior-Senior Prom, and we have received our class rings.

SOPHOMORES

We were thrilled to join the "senior ranks" in September of 1957. Green, perhaps but still very active. We were represented by 13 boys on the football squad, 11 boys in the basketball team, 7 girls in the cheer leading squad, and several point winners on the track team.

Go Guenter, Gini Gosney, Fred Lasher and Joe Newhouse represented our class on the Student Council for the first half term.

As our outstanding social event of our sophomore year we sponsored the Sadie Hawkins Dance which was held in the gym on November 15. We had a fine band, lots of decorations, and the dance was declared by many to be the most successful Sadie Hawkins Dance they could remember.

During our Freshman year we started the practice of having a record dance after home basketball games on Friday night. They were all a success.

During the remainder of our high school careers we hope to prove more fully that the class of '60 may be depended upon to perform our duties to our Alma Mater.

VARSITY FOOTBALL

Chuck Cooper
AML All-Star

The Hubbers under the capable hands of their new Varsity coach, Jim Donovan and assistant coach Jack Pennington started practice at McCay Stadium on August 19, 1957. They practiced hard and were rough and ready for their first game. They proved this by the scores of their games.

The first game was postponed because of the flu epidemic among ours and St. Bernard's players. After the boys started running we won our first two games. Bernies 12-0 and Coudersport 13-7. Otto really took a beating when we defeated them 39-0.

The Hubbers ran up another big score when they defeated Sheffield 41-6. The Smetta team anticipated their fifth victory when they headed for Renovo and they got it 32-0.

The Ridgway game was wiped out by the "flu" so Coach Donovan scheduled a game with Warren since they were also idle because of the bug. A Class 'A' school didn't bother the ragng Hubbers for they crushed Warren 38-9.

Another new team, Cuba, New York, was scheduled for our Homecoming game. What a shame if our Homecoming should be spoiled by a defeat! The Hubbers sensed this and won the game 29-6.

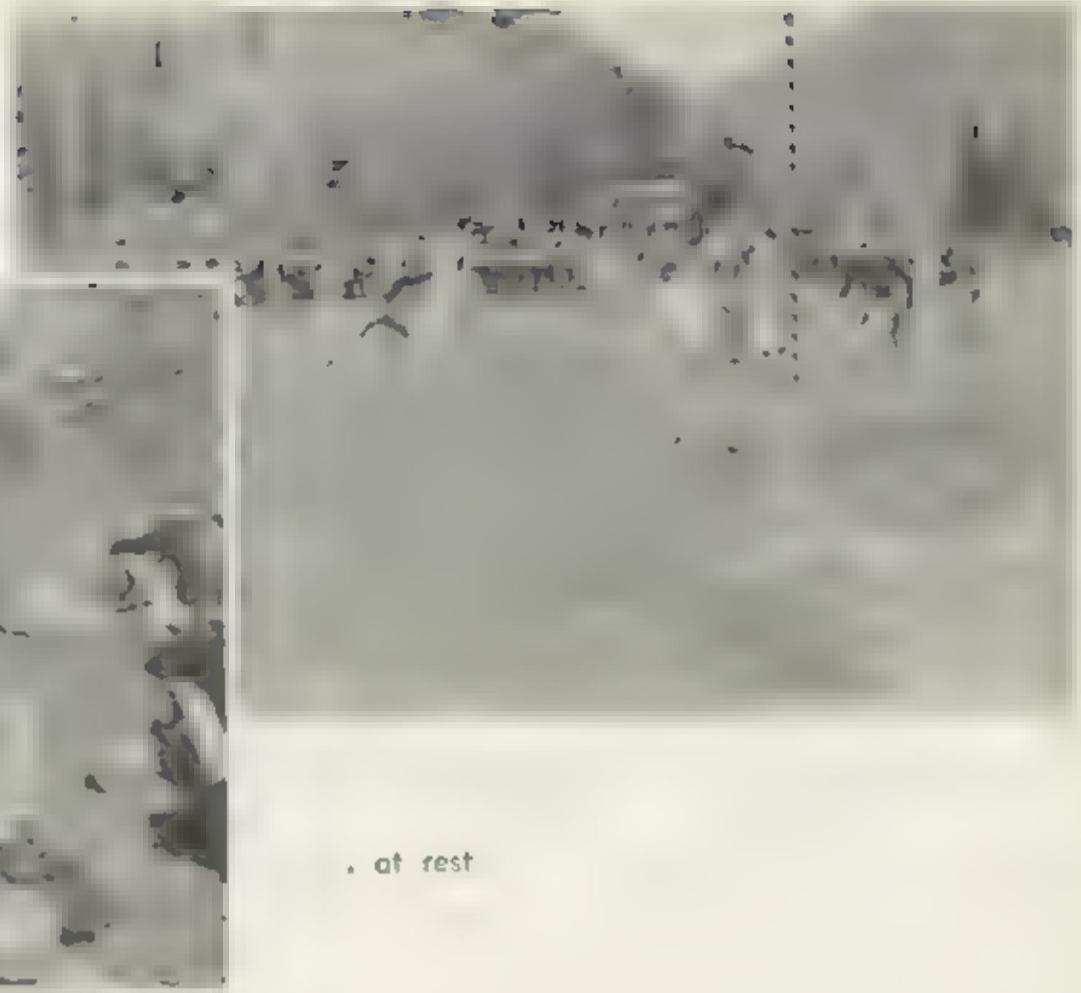

Then the big game with St. Marys, who were also undefeated. Our downfall came here when the Flying Dutchmen defeated the Hubbers 27-0. The last game with our great rivals Port Allegany, was the biggest upset of the season. The Gators defeated the Hubbers 12-0.

Willie Cunningham and Chuck Cooper, our rugged fullback and quarterback respectively, were the members of the team selected for the Allegheny Mountain League All-Star Team. These boys are pictured in the circles above.

Congratulations to the Hubbers, Coach Donovan, and Assistant Coach Pennington for the best season in many, many years!!

THE BAND MARCHED . . .

Our marching band this year was one of the best ever. It is composed of the members of the Senior Band. The marching band's faithful attendance at all the games despite the rain and cold was very encouraging to the boosters and team. Displaying perfect co-ordination with their unusual

half-time performances, they left an impression which will long be remembered by the community. Included in the six-march program were "Hesitation Strut" and "Wagon Wheels," but their serenity was always shown when they concluded with our "Alma Mater."

The "Hubbers" under their coach, Mr. Vesber, finished in third place in both the leagues in which they participated. The Allegheny Mountain League was newly formed this year.

The team started the season like a championship team, but they went into a mid-season slump which ruined their chances.

Next year the coach will have a big rebuilding job because of the loss of several important players through graduation.

Three seniors made All-Star teams or honorable mention: Phil Hauck 1st Team — North Tier, Honorable Mention — Allegheny Mountain League; Chuck Cooper . . . 2nd Team — North Tier, 2nd Team — Allegheny Mountain League, Fred Larson Honorable Mention — Allegheny Mountain League

BASKETBALL CHEERLEADERS

The girls carried the school spirit throughout the basketball season. The Varsity cheerleaders wore black sweaters with orange and black pleated skirts while the J. V. cheerleaders were outfitted in black skirts and white crew neck sweaters.

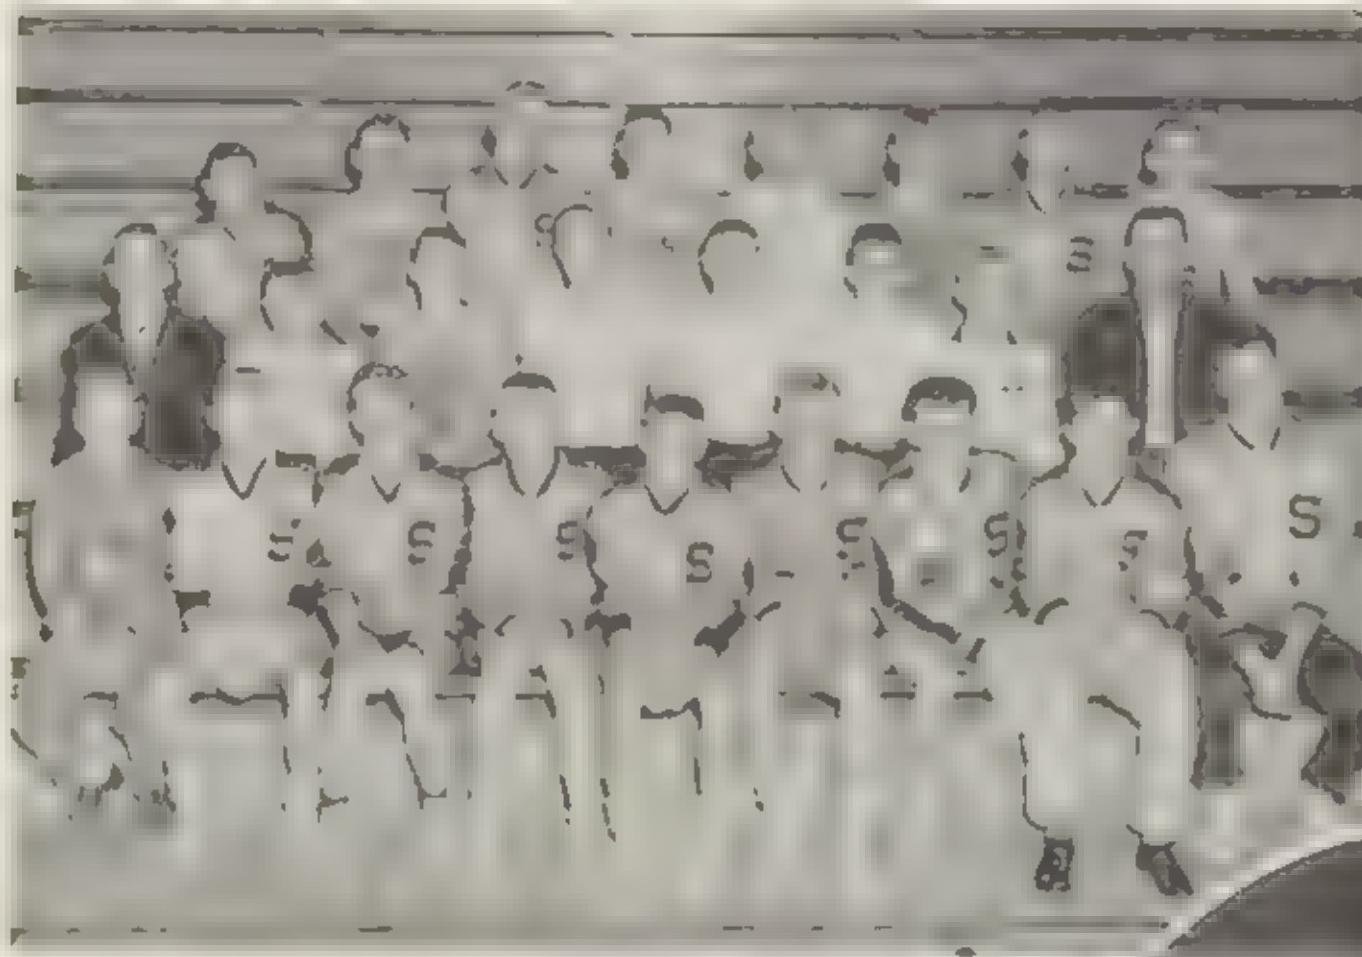

To remain on the squad the girls had to maintain at least a "C" in all subjects.

This year, under the direction of Mrs. Johnson, many new ideas were added to their routines and Jenny Donovan became their mascot. Mrs. Johnson was assisted by the Varsity captain, Ann Megivern, and the J. V. captain, Kathy Beckstrom.

Cheerleaders who are not pictured are Carolyn Tarbox and Judy McDowell on the Varsity squad and Gail Guenter and Martha Dennis on the J. V. squad.

TRACK

Fred Larson
1957 State Mile Champion

The 1957 Hubber Track Team, after several great years turned in an average season by winning 3 dual meets and losing 1. The Hubbers came in third in the County meet and second in the District IX PIAA Class "B" Championship. It was the first time in six years that the Hubbers failed to win the District Meet. The team made a good showing at the Dubois Invitational and at the Olean Relays. After the regular season was over, the boys who had taken either a first or a second at the District meet, went to Penn State University for the state Championships. At the State meet Fred Larson proved to be the best miler in the state, winning the race with no trouble in the time of 4.30 5. He also placed second in the half-mile with a time of 2.00 9. Jim Acre, a speedy freshman, took fifth in the half-mile with a time of 2.02 8. Dick Larson placed seventh among the discus throwers. Also competing in the State meet were: Chuck Cooper, Bill Ogilvie, and Bob Lathrop.

School records set in the 1957 season were Fred Larson, mile, 4.30 5 and half-mile, 2.00 9; Dick Larson discus, 132' 10". Both record makers reported for the 1958 squad.

Results of the home track meets were:

Smethport	101 1/4	Oswayo Valley	16 7/4
Smethport	71	Johnsonburg	47
Smethport	56 1/2	Youngsville	74 1/2
Smethport	56 1/3	Port Allegany	36 1/3

The results of the McKean County Track meet were:

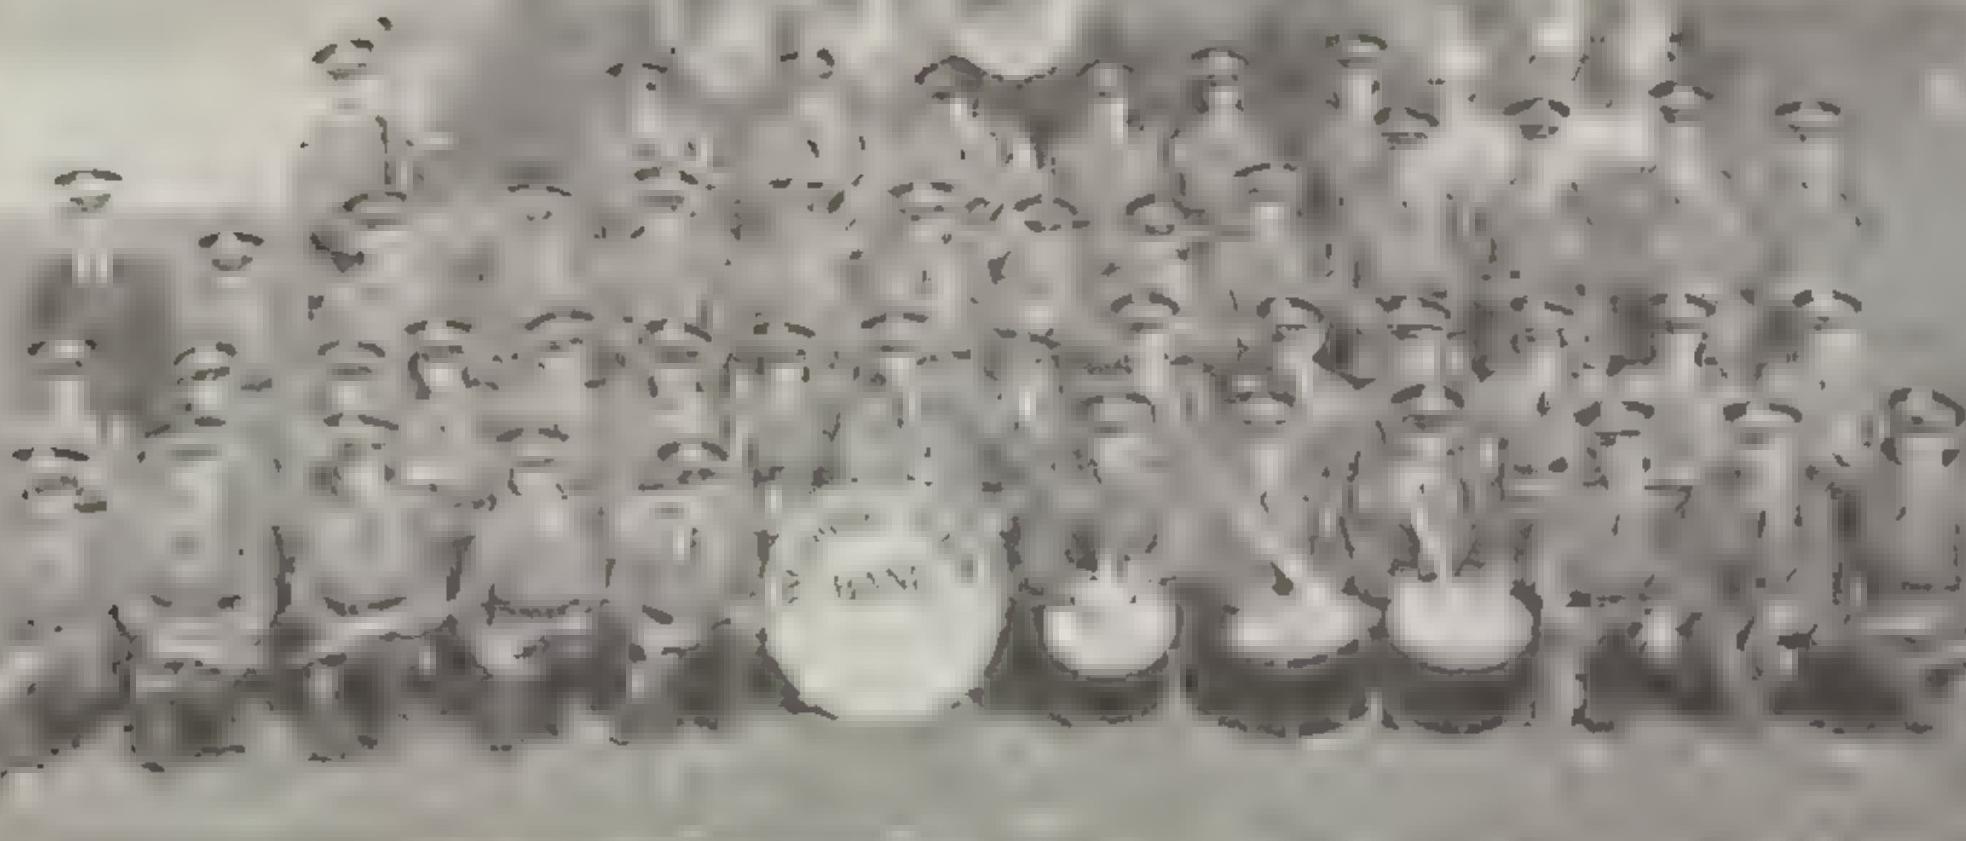

Bradford 67; Kane 52; Port Allegany 46 1/2
Smethport 38 1/2

In the county meet Fred Larson set a new record in the 880 yard run with a time of 2.03 4.

Fred also set records in the mile (4.41 3) and half mile (2.04 6) in the District Meet.

SENIOR BAND

In the spring of 1977 our band competed in the District Forensic Festival at Clearfield, Pennsylvania, and the senior rating enabled all 15 musicians to travel on to the State Forensic Festival at Bethlehem, Pennsylvania, to participate in the State Festival. The rating was excellent and the trip was one to be long remembered by all especially our capable director Mr. Partchey, or "Prof" to us.

In the mid-summer our annual Block Party was held and a great success it was. The money made, \$180, went into a general fund used to buy the equipment necessary for such an organization.

Even during the fall months our band was kept active. Since the football field received new flood lights enabling the games to be played in the evenings, our loyal band spirited the players on to many a victory.

During the winter we practiced hard for the Spring Concert, which was held April 21. This was a joint affair with Hamlin Township in which the proceeds were contributed to the Carl W. Johnson Memorial Scholarship Fund. At about the same time, 9 members participated in District Band, held at Coudersport.

Our officers are President Wayne Church, Vice-President, Carolyn Wells; Secretary-Treasurer, Ruth Bennett

"Prof" reluctantly admits, "The band will suffer greatly when the present Seniors graduate and it will take some time and a lot of work before those vacancies can be satisfactorily filled."

The Vested Choir, which is composed of students from the high school, has accomplished much in this past year.

In the spring of 1957, the choir attained a superior rating at the state contest of the P F M L in Bethlehem.

This year, we started by giving an assembly for the students in October. After a few months of hard rehearsal, the choir presented the Fall Christmas Concert. Among the songs sung were "O Holy Night," "Silent Night," and "What Child is This."

On January 31, nineteen of the choir members participated in County Chorus which was held in Port Allegany.

Seven members attended District Chorus held in Montoursville in February. One of the members, Bob Morrison, went to Oxford to attend State Chorus.

In our annual Spring Concert we sang "Once in Love With Amy," "America Our Heritage," "Autumn Leaves" and "Blessing Glory Who and Thanks." Solos were sung by Wayne Church, Kay Newton, Jack Petrucci, and Bob Morrison.

In late March some of us journeyed to Clarion to participate in the District contest of the P F M L.

The final appearance of the Choir was made at Baccalaureate and Commencement.

The Ensemble traveled to Port Allegany for County Chorus to do a specialty number on January 30. Eight members of the Ensemble attended District Chorus at Montoursville on February 15, 16, and 17. They sang several numbers at the Christmas and Spring concerts. During March they travelled to Clarion State Teachers College to compete in P F M L competition. Last year they were privileged to receive an "Excellent" rating at state competition in Bethlehem, Pennsylvania

FLASH

The FLASH, advised by Miss Rockefeller and Miss Johnson, is a mimeographed weekly newspaper published by the students. Miss Rockefeller has been an advisor since September, 1945, and Miss Johnson since January, 1947.

Composed of two sections, editorial and production, each equally indispensable to the other, the Flash staff strives to present the news to the student body in an interesting and accurate fashion.

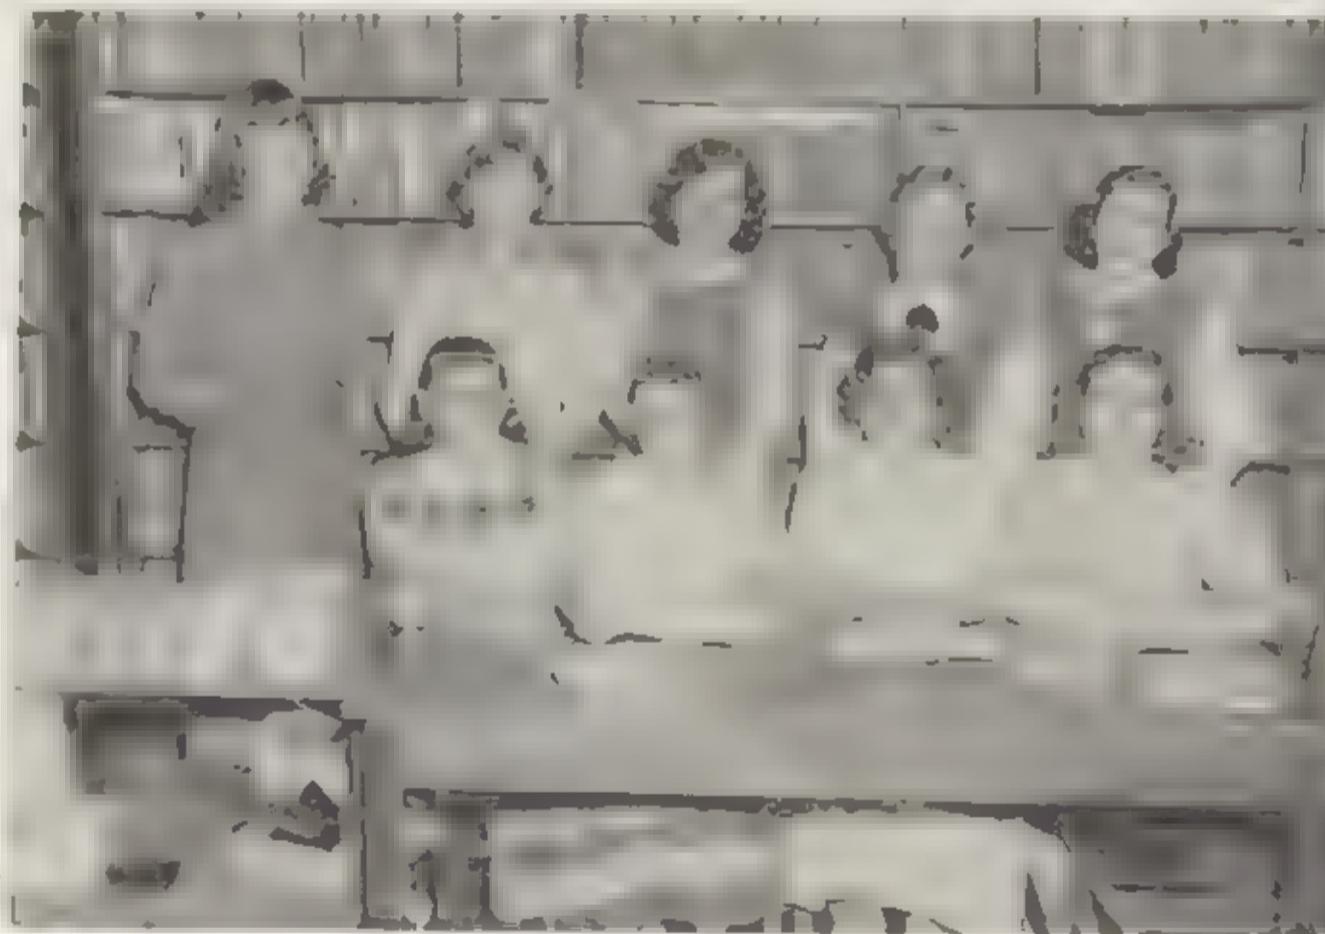

St. Bonaventure University offers the Flash staff a field day each year in its Press Conference. The Flash has received several high honors at this tri-state journalist's convention.
